ORE Office Memorandum - Notice Number 27

19 May 1950

SUBJECT: On-the-spot Survey of Coal Mining Industry June 12-14, 1950,
Pittsburgh, Pennsylvania

1. The Bureau of Mines has arranged for State Department analysts an organized tour of coal mining and related operations in the Pittsburgh area, Monday, 12 June through Wednesday, 14 June. ORE will be permitted to send a limited number of persons who are officially interested in the coal mining industry. Both men and women may attend.

2. The program is as follows:

Monday - Bruceton Experimental Mine

Tuesday - a.m. An open hearth pit operation.
p.m. A coal cleaning plant.

Wednesday - Men: Below ground to see actual operations of
certain commercial pit mines.

Women: Program to be arranged.

3. Transportation will be free, by chartered bus, but no per diem or expense allowance will be paid. The bus leaves Washington on Sunday, 11 June and returns to Washington Wednesday, 14 June -- time not now known. Travel by private means is optional, but not reimbursable.

4. Webster Hall has been recommended as reasonable and satisfactory for those desiring a hotel in Pittsburgh. Reservations will be made at that hotel for those so requesting. No dependents may accompany employees on the tours.

5. Recommended special clothing:

Men : Overalls, coveralls or old GI clothes. Heavy, high shoes or at least rubbers over your regular shoes.

Women: Old clothing that will stand being badly dirtied. An old raincoat, a tam or other kind of inexpensive hat.
